# Women Build

Habitat for Humanity helps homeowners achieve the independence they need to build a better life for themselves and their families.

Women Build Season: March - June 2024

#womenbuildnfv2024

***Women Build is a season of sisterhood, building, and hope.*** Each spring at Habitat for Humanity of Northern Fox Valley, hundreds of women join forces locally to build homes, fundraise and pave the way for a better tomorrow for woman-led families.

Women Build is our largest event of the year, and features a 4-week long build 'series' where teams of women come together locally to fundraise and build homes in support of woman-led Habitat families! **The 2024 goal is \$100,000!** Event participants consist of both corporate and peer-to-peer teams, and we host two celebratory events in conjunction with the main event for all participants to experience!
